This training is designed to provide information to enable local congregations to develop and implement a Safe Sanctuary Policy for their church. It will be helpful if each congregation has a copy of the book “Safe Sanctuaries” written by Joy Thornburg Melton. The book is available from Cokesbury.

The training is especially helpful for Sunday school teachers, Christian Education leaders, and youth leaders.

Please register by Tuesday, September 7 at secr@concordiaumc.org or call the church office (608-643-6356).
