SUNDAY PARKING OPTIONS FOR FIRST CHURCH

Welcome to First Church

We have multiple parking options for your convenience. For the latest information, please check the Chimes, the Church e-list emails, the information desk, or the church website at **www.fumc.org.**

For Members with Mobility Issues and First-time Visitors:

On Sunday mornings our church parking lot is reserved for drivers with a mobility issue and for first time visitors.

The church parking lot is also designed for easy drop-off for everyone.

On Sundays, there are also meters that have blue "Handicapped Parking" bags on them on the 200 block of Wisconsin Ave. and are available for those with disability plates or tags.

Sunday Parking Options for those attending First Church:

Street Parking: Street parking is free on Sunday – including the Capitol Square. Parking spots are marked with dots on the map.
