

4th State-Wide Wisconsin Interfaith Earth-keeping Conference

Sunday afternoon to Monday afternoon

October 11 & 12, 2009

Ramada Inn Conference Center Stevens Point

“Greening Our Faith Communities and Our Lives”

Workshops Include: Global warming science & public policy update, reducing your congregation’s carbon footprint, organizing local interfaith global warming movements, extending earth-oriented worship beyond Earth Day, local food movements, **starting a Green Team in your local congregation**, networking with people of all faiths working toward a just and sustainable future.

Keynote Speakers:

The Rev. Sally Bingham

Founder of *Interfaith Power & Light* and *The Regeneration Project*,

A national interfaith movement focusing on climate issues.

www.theregenerationproject.org

The Rev. Dr. David Rhoads

Lutheran School of Theology, Chicago, New Testament scholar, founder of

The Chicago Green Seminary Initiative and *Green Congregations*, Racine, WI where he lives.
