Archives Retreat

All are welcome and encouraged to come and join us for our fifth annual Archives Retreat, which will continue to focus on our rich United Methodist musical heritage.

Last year we kicked off the Musical Heritage series by learning about our British heritage and how hymns developed through the works of Isaac Watts and Charles Wesley. In 2015, we will focus on our German heritage. Go Bach in time (!) to learn the basics of Reformation music in Germany and about the hymns of the Pietists and the Moravians. Marvel at how John Welsey learned German in order to translate Moravian hymns for his first hymnal.

Sing the music of the Evangelical Association, the United Brethren in Christ, and the Evangelical United Brethren denominations before we all became United Methodists.

Hear some of the history and music of The Trust Company, the well-known singing group of the Wisconsin Conference EUB.

On Friday, we will have a workshop for the local church historians. Learn about the efforts of Georgia Kestol to restore the Heart Prairie Norwegian-American Methodist Episcopal Church, dating back to the 1850s. Hear about church historian Judy Vasby's efforts to organize the church archives of the historic Cambridge: Willerup UMC—the oldest Scandinavian Methodist church in the world. And finally, bring your questions about your local church archives to a question and answer session with Lynn Lubkeman.
