Wausau: Wesley UMC

1101 Elm St, Wausau, WI 54401

This is a learning day event and a fellowship opportunity to make connections between our churches and to grow together in Christ and faithful living. The event is open to everyone, clergy and laity. We will have ten churches sharing their wisdom and successful stories, and learn more about Launch Out! How to lead a Bible study, Civility in the church, and Lay Servant ministry.

Rev. Dr. Wesley Jacob will be our keynote speaker. His presentation will impact our life for deeper faith in God as related to science and the universe. Our faith will be strengthened. We will be inspired to become deeply committed Christians and see Bible study as the essential part of church growth today.
