

Rev. Scott Carlson
South West District Superintendent

Scott Carlson grew up in Bismark, ND and is a life-long United Methodist. He graduated from Seminary at United Theological Seminary in the Twin Cities in 1991, was Ordained a Deacon in 1989 within the North Dakota Annual Conference, and was Ordained an Elder in 1994 in the Wisconsin Annual Conference.

Scott has served a variety of congregations throughout his career, including his most recent appointment at Sun Prairie UMC for more than ten years. He has helped congregations refocus on mission and ministry and is dedicated to helping churches become more healthy. He continues to find ministry exciting and challenging. He says of this upcoming appointment to the Cabinet, "I am excited to be a part of the ministry team on behalf of Bishop Jung. I am looking forward to getting to know the clergy and the congregations of the Conference, so together, we can partner with God to help our Annual Conference become more vital for God's Kingdom."

Scott is married to Debbie and between them they have six children and three grandchildren. Spending time with family is one of his greatest joys.
