

**International United Methodist Volunteers In Mission - North Central Jurisdiction  
Conference: Wisconsin Conference 2014 Mission Trip Report**

Each year the Conference Volunteers in Mission Coordinators provide information about the mission teams for that year to the Jurisdiction Offices, who compile reports for the General Board of Global Ministries. This information then becomes a measure of the scope of mission volunteering in the United Methodist Church. If your church or district or other entity had a work trip this year, please provide the report form to us at the address below the form. It is important for us to do our best to provide complete and accurate information for the use of the GBGM so please report Youth trips as well as Adult trips. Your assistance with this is greatly appreciated!
