JOB DESCRIPTION

Title: Ethnic Local Church Concerns Committee Developers and Summer Intern Project

Supervisors: Pastors, Project Coordinator, District Superintendent

Purpose: The Ethnic Local Church Concerns Developers Program allows talented and interested ethnic persons to participate in the life and ministry of the local church, outreach program, summer program, and Christian education program for the purpose of developing ethnic leadership. It can provide an in-the-field experience for anyone considering any ministry. Persons under appointment may **not** serve as a developer.

Qualifications:

1. Evidence of Christian character and intent in ministry of The United Methodist Church.
2. Active member of a United Methodist Church.
3. Ability to communicate with a cross-section of church and community people.
4. Embraces the program and policy of The United Methodist Church.
5. Willingness to accept responsibilities and follow through to completion.
6. Ability to work on a team.
7. The project must be congregationally-based.
8. The developer must not serve more than two years unless she/he is a seminary student or there are other special circumstances.

Job Summary:

1. Understand project goals and objectives and transform them into activities of ministry.
2. Maintain a daily log of activities.
3. Make weekly reports to supervisor and/or local church committee.
4. Make an end-of-project report to the local church committee.
5. Work with supervisor on end-of-project report to bring with you to the Conference Center.
