

What are Volunteers in Mission?

Anyone can be part of VIM. Volunteers in Mission are individuals who share their time, talents and money for a specific project.

Volunteers pay their own travel expenses and for some of the construction material costs so they can participate in the work camp mission. The experience is one of sharing with others. It is working side by side and worshipping with your family and other families. It is a spiritual renewal.

Volunteers in Mission do more than think, read and contribute money to missions. They live, feel and 'Do.' Christ challenges us to be followers of his way.

Current Work Camps

There are two yearly brochures that are mailed to people without internet access. The brochure is available in its entirety on our web page, including trip leaders and registration forms. As the need arises additional trips are added for disaster relief.

VIM Makes a Difference in Life

There is a church in Heartbutte, Montana and another in Odanah, Wisconsin, built by Wisconsin VIM. Our volunteers have put their faith into action in response to natural disasters in Louisiana, Georgia, Alabama, Minnesota, to name a few. We have made a difference in homeless shelters in Phoenix and Florida. We have worked in a refugee center in Israel.

Our VIM work teams visit our Wisconsin Camps and Milwaukee Children's Services, to name a few. WE have been in the ministry and mission of church camps in nine different conferences in our jurisdiction.

Wisconsin VIM has a reputation for working hard and getting the job done. We have made a difference in life by responding to our faith with both our hearts and hands.

VIM Brings A Bright Future to work teams and recipients

VIM brings together a unique work team. Every project includes a number of skilled and unskilled tasks. From the youngest to the oldest volunteer, there is always a job that is just right. Our God given talents are put to good use to meet the opportunities of the project.

Our current trips are in this brochure. However, not all future projects have been set because it is an ongoing process, often dictated by damage from storm, tornadoes, earth quakes, and needs of local people.

Put VIM in Your Life

VIM offers you the opportunity to put your faith into action. Become involved in a hands-on ministry that changes people's lives. Our hosts are touched by God's love. And we are blessed as servants of Christ while serving our Christ.
